Golf Widow Kim Julian

Kimberly Julian, wife of PGA golf pro Jeff Julian, was forced to face the most unfathomable of circumstances when her new husband was diagnosed with a terminal illness eight months after they wed. This tender, disarmingly honest, and wry memoir, shares their story.

At the age of thirty, Kim Julian's life was coming together beautifully. A devoted mom and Branson performer, she had found the love of her life when she met Jeff Julian, a towering PGA tour player. Caddying for Jeff, she became integral part of the PGA world.

What Julian did not know was that their fortune as a family was about to become brutally upended. She battled conflicting feelings of guilt, anger, and grief, while addressing a societal expectation of smiling self-sacrifice. Through it all, flashes of joy and humor keep this moving story buoyant and hopeful, while offering astute comfort from a caregiver's perspective that is certain to resonate with anyone struggling with this complicated role, providing the wisdom and empathy to make it through challenging times.
