## **How & When to Sue Your Lawyer: What You Need to Know** Robert W. Schachner, John Phillips

When lawyers represent a client, they have a legal obligation to act professionally, responsibly, and ethically. Unfortunately, all too many lawyers do not live up to these standards. If you have been victimized by your attorney, *How & When to Sue Your Lawyer* is here to help.

The book begins by explaining the American Bar Association's categories of malpractice—substantive, administrative, client relations, and intentional wrongs. It next details the “model rules” of professional responsibilities established by both national and state bars, and then discusses the all-important differences between guidelines and actual laws set by legal precedent. Finally, if you feel that you have lost a case because of your counsel's mismanagement, or if you have been taken advantage of financially or sexually by your attorney, this book explains the necessary steps you must take to establish a solid case, from developing the facts and gathering the hard evidence to proving the allegation.

### **From reader reviews:**

#### **Sally Watts:**

Reading a guide tends to be new life style with this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Using book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their proficiency in writing, they also doing some research before they write with their book. One of them is this How & When to Sue Your Lawyer: What You Need to Know.

#### **Bob Bartlett:**

The reason why? Because this How & When to Sue Your Lawyer: What You Need to Know is an unordinary book that the inside of the publication waiting for you to snap it but latter it will shock you with the secret that inside. Reading this book alongside it was fantastic author who all write the book in such remarkable way makes the content on the inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of gains than the other book have got such as help improving your skill and your critical thinking technique. So , still want to hold up having that book? If I were you I will go to the publication store hurriedly.

#### **Thomas Williamson:**
