**Niebla roja. (Doctora Kay Scarpetta) (Spanish Edition)** Patricia Cornwell

La doctora Kay Scarpetta, reputada patóloga forense, directora del Centro Forense de Cambridge (Massachusetts) y colaboradora del Departamento de Defensa, se encuentra ante una difícil encrucijada: la resolución lógica de una serie de brutales asesinatos que está cometiendo una retorcida mente criminal en Savannah (Georgia) y su instinto de mujer, que le dicta normas que van más allá de las pruebas imputables y de la ciencia forense. Lejos de su laboratorio, Scarpetta deberá confiar más en su intuición que en las avanzadas técnicas forenses que habitualmente utiliza para esclarecer las más macabras e incomprensibles muertes que un ser humano pueda llegar a cometer. ¿Será capaz de resolver este nuevo caso aun cuando su reputación e incluso su vida también están en juego?
