Topics include preflop hand strength, short stack play, wrap hands, blind stealing, marking aces, playing on the flop, which flops are good for bluffing, position and check-raising, pot size manipulation, blockers, and much more including numerous sample hands.

This book is a discussion of winning play, and more importantly, winning thinking on all streets. It should be of value to almost all pot-limit Omaha players from the beginner to the more advanced, and every effort has been made to give you the best information possible, with nothing held back.
