Powerful Sam Pickett is used to getting his way. So he is baffled when Kate Wells, a feisty little hellion who steps between him and a bullet in the back, isn't remotely interested in becoming his latest plaything--despite the fact she's poor, with an aunt and blind sister to support! Sam's life is transformed by this compassionate, hardworking woman--who is strangely cynical for one so young. He fully intends to make Kate his bride, but that could prove to be the greatest challenge of his life!
