Estética de la memoria (Spanish Edition) Faustino Oncina Coves

Este libro aborda, por un lado, el giro icónico, pictórico o visual en las ciencias humanas y algunos de los desafíos que plantea. Por otro, diagnostica una ansiedad típica de comunidades que se han sometido al dominio del porvenir. Ante la aceleración del tiempo y la compresión del espacio, frente a su extrema volatilidad, la memoria –su musealización y monumentalización– se ha erigido en una ciudadela que nos protege de ese foco de angustias, en un bastión de autenticidad sitiada por los relatos oficiales. Sin embargo, si la memoria y el futuro algún momento albergaron una esperanza progresista y emancipatoria, su exaltación y mercantilización actuales los ha degradado a una baratija venal, producida y consumida industrialmente, y sobreexplotada por el lucrativo negocio de lo virtual y de lo nostálgico.
