'Sis, the worst thing CF [cystic fibrosis] can do is kill me. It can't stop me from living.' Todd Gibbs spoke those words once to his sister and he proved that statement true time and time again. Though cystic fibrosis did kill him five days after his thirty-first birthday, the living he did showed that he had won the battle, even if CF eventually won the war. *Not a Wasted Breath* is not just a story about living with a fatal disease or waiting for a transplant. That was only a part of Todd's life. He never allowed his illness to rule his life, even in the face of over eighty hospitalizations. This is truly a story about how others perceived Todd, how they were affected by his presence in their lives, and how Todd viewed himself and his existence. In a poignant compilation of thoughts, memories, articles, and journal entries, LaRecea Gibbs, Todd's mother, creates a touching tableau of a life well spent that will inspire anyone to overcome personal obstacles through faith, determination, courage, and most of all, humor. Join mother and author LaRecea Gibbs in an inspiring biography which shows that though Todd's life was short, he never wasted a single breath. This Book is an inspiration to all readers in appreciating the gift of life. The account is thorough, has depth of development, is authentic, and puts us inside the people involved. *Not a Wasted Breath* enables readers to travel along emotionally. As a result, we count our own blessings. John Hagaman, Professor of English, Western Kentucky University, Director of WKU Writing Project.
