Those Who Remain - Book 1: A Zombie Novel (Those Who Remain Trilogy) Priscila Santa Rosa
Hide your children, lock your doors, and load your guns because zombies are real and they are coming. Danny Terrence knows this better than anyone. He spent months preparing for the inevitable moment the disease would reach his small town. What he didn't prepare for is the fact that nobody really believes him.

Luckily for him, an old classmate and bully just happens to be the first one bitten. The bad news is that the family with the biggest arsenal of guns just packed up and left town, leaving them defenseless from an oncoming zombie horde. Being a leader isn't turning out the way Danny imagined.

Yet four other survivors easily have it worse than him. Between a thirteen-year-old girl on a road trip from hell, a family of paranoid hunters having to deal with their feelings for the first time ever, a stubborn doctor butting heads with a cold-hearted sergeant and an amoral British professor carrying the fate of humanity in his hands, Danny has it easy. Unless, of course, they all end up in his town, messing with his already messed up life.

Follow these five people as their paths cross and their lives and hopes are challenged in this thrilling novel. Those Who Remain: Book One is part of a trilogy.
