Ancient Secret of the Fountain of Youth Peter Kelder

Legend has it that hidden in the remote reaches of the Himalayan mountains lies a secret that would have saved Ponce de Leon from years of fruitless searching. There, generations of Tibetan monks have passed down a series of exercises with mystical, age-reversing properties. Known as the Tibetan Rites of Rejuvenation or the Five Rites, these once-secret exercises are now available to Westerners in *Ancient Secret of the Fountain Of Youth*. Peter Kelder's book begins with an account of his own introduction to the rites by way of Colonel Bradford, a mysterious retired British army officer who learned of the rites while journeying high up in the Himalayas. *Fountain of Youth* then offers practical instructions for each of the five rites, which resemble yoga postures. Taking just minutes a day to perform, the benefits for practitioners have included increased energy, weight loss, better memory, new hair growth, pain relief, better digestion, and just feeling younger.
