BEN 10 is one of the best-selling boy's action franchises of all time! OMNIVERSE brings together the best of all Ben 10 series with new adventures in both the past and present, new villains and all new mysteries!

For more than five years, Ben Tennyson has been saving the universe with his Omnitrix, which allows him to use the DNA of aliens to take on heroic new forms. But he's never encountered a challenge quite like this! Teamed up with a new partner, Rook, who seriously needs to relax, Ben investigates the mysteries of a hidden underground alien city and has to battle a new enemy, Khyber, who has only one thing on his mind: hunting down Ben 10!

An attempt to catch a thief who's stealing tech from the inhabitants of Undertown puts Ben and Rook face-to-face with someone from their past whose very existence could mean the end of the world as we know it. To save the universe (again), Ben will have to make one of the hardest decisions of his life. Can he do it before the parallel paradox unravels the very thread of history itself?!

Reads L to R (Western Style) for all ages.
