Edmundo Villafañe Duarte

La muerte del último caudillo (Spanish Edition) Edmundo Villafañe Duarte

Una ficción novelada en Venezuela, durante los acontecimientos de febrero de 1.992, mientras se desarrollaba la asonada golpista, planificada y comandada por el Teniente Coronel, Hugo Chávez Frías, circunstancialmente vienen al mundo dos niños gemelos, que van a ser, sin proponérselo, testigos protagonistas de primera fila de la conspiración más inesperada veinte años más tarde. Comenzando la segunda década del siglo XXI, oscuros y nefastos personajes del entorno más cercano al mandatario, se han confabulado para, en macabro conciliábulo, dar al traste con la vida del, para ese momento presidente, Hugo Chávez. Aprovechando la superstición y creencias oscuras del presidente, logran acabar con su vida y así se hacen del poder, que por propios méritos no hubieran logrado. Los gemelos se han visto involucrados en la conspiración, debido a los ilegales negocios de su padre, quien había financiado años atrás la rebelión inicial. Ahora están tratando de liberarse de una maldición africana, que ha de ser transmitida al presidente, sumada ésta, a ritos paleros preparados por los hermanos Castro, desde Cuba, complotados con los conspiradores.
