The Missing Manatee Cynthia DeFelice

A tribute to Florida, fishing, and family

All Skeet Waters wants is to catch a big, beautiful tarpon on his fly rod - and to keep everything else in his life in Florida the way it's always been. But on his spring break from school, Skeet overhears his mother telling his father to move out permanently. Then, while riding in his boat to escape his parents' troubles, he discovers a manatee that's been shot in the head. Skeet puts aside his search for the manatee and its killer when Dirty Dan the Tarpon Man offers to take him out to catch his first tarpon on a fly. Because of Dan, Skeet begins to unravel the mysteries surrounding the manatee's apparent murder and his parents' dissolving marriage.

Skeet discovers that life is a lot like tarpon fishing, in which you can't look just at the surface of the water - you have to look through it, at what lies beneath.

The Missing Manatee is a nominee for the 2006 Edgar Award for Best Juvenile Mystery.

From reader reviews:

Frederick Rothman:

With other case, little people like to read book The Missing Manatee. You can choose the best book if you love reading a book. So long as we know about how is important the book The Missing Manatee. You can add understanding and of course you can around the world by the book. Absolutely right, due to the fact from book you can understand everything! From your country until eventually foreign or abroad you will be known. About simple issue until wonderful thing you may know that. In this era, you can open a book or maybe searching by internet unit. It is called e-book. You may use it when you feel bored to go to the library. Let's go through.

Brooke Gafford:

What do you think about book? It is just for students since they are still students or the item for all people in the world, exactly what the best subject for that? Only you can be answered for that concern above. Every person has distinct personality and hobby for each and every other. Don't to be pushed someone or something that they don't need do that. You must know how great along with important the book The Missing Manatee. All type of book could you see on many methods. You can look for the internet options or other social media.

Kimberly Towe:

Your reading sixth sense will not betray anyone, why because this The Missing Manatee publication written by well-known writer who knows well how to make book which might be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas and producing skill only for eliminate your current hunger then you still doubt The Missing Manatee as good book but not only by the cover but also by content. This is one publication that can break don't assess book by its cover, so do you still needing one more sixth sense to pick that!?! Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.

Charles Parker:

In this time globalization it is important to someone to find information. The information will make professionals understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. The actual book that recommended to your account is The Missing Manatee this book consist a lot of the information in the condition of this world now. This particular book was represented just how can the world has grown up. The words styles that writer require to explain it is easy to understand. The writer made some investigation when he makes this book. This is why this book suited all of you.
