**Theology for Ministry: An Introduction for Lay Ministers** Edward P. Hahnenberg

Theology for Ministry is for beginning ministry students, seasoned lay leaders, and anyone in between who wants to learn more about the faith that feeds their call to serve. Six easy-to-read chapters introduce the main areas of theology that every lay minister ought to know: the notion of vocation, the doctrine of God, Jesus Christ, the Holy Spirit, church, and ministry. By sharing personal stories and simple examples, Edward Hahnenberg brings the Bible to life and dusts off ancient church doctrines—revealing the many ways our tradition can inspire the work of lay ministers today.
