Gilles Deleuze: An Introduction

Todd May

Gilles Deleuze: An Introduction Todd May

Other books have tried to explain Gilles Deleuze (1925-1995), one of the twentieth century's most important and elusive thinkers, in general terms. However, Todd May organizes his introduction around a central question at the heart of Deleuze's philosophy: How might we live? He demonstrates how Deleuze offers a view of the cosmos as a living entity that provides ways of conducting our lives that we may not have even dreamed of.
