The Book of Simple Human Truths: Inspiration, Love & Wisdom Molly Friedenfeld

The Book of Simple Human Truths will take you on a beautiful journey of the soul, show you how to connect with your heart, create a personal relationship with your Angels and become a beacon of light in the world! When a soul walks upon the earth centered in the heart spreading goodness and positivity along their path they become a real-life earthly Angel and thus make this world a BRIGHTER place!

It is our pure hearts that direct us as we move through life, building within us the desire to inspire change in the lives of others in positive ways. We begin to see each person not just as a body, but as the beautiful soul that lies beneath the skin. Every soul has beautiful colors that represent their essence. If we train the eye to ask the heart what each person's soul colors are, the illusion of the exterior shell – the skin – melts away to reveal the soul's true beauty.

When we gain this profound insight, we soon find that we are all divinely connected. We are all ONE – and every soul is equally valuable to us as our own children, our own family, ourselves. This is why it is vital to go in peace and love them all.
