The Moral and Political Writings of Mahatma Gandhi: Volume II: Truth and Non-Violence Mahatma Gandhi

Although Gandhi's books were few, his innumerable articles and extensive correspondence eventually filled the pages of his ninety-volume *Collected Works*, published by the Indian Government after his death. Drawn from the *Collected Works*, this second of three volumes presents Gandhi's seminal writings in a coherent and compact form. Volume II, which brings together Gandhi's most important writings on truth, non-violence, and human nature, offers readers a fuller and more discerning appreciation of this great man's contribution to 20th-century thought.
