If you're interested in crochet or getting started with crochet then this is the perfect book for you. It can be difficult to get started with something like this because there are a lot of steps involved. But there are actually a lot of easy steps. You don't need to put a lot of hard work or effort into the process because you'll find that it takes very little to achieve a basic understanding. What you need to do is make sure that you are reviewing each of the steps until they become second nature (it won't take long). But that's exactly what we're going to help you do throughout the course of this book.

What we want to do is get you started on the path to creating your own projects and fun with crochet. You'll be able to create anything from baby blankets to hats and scarves and even more if you take some time to learn this skill. All it takes from you is the willingness to practice. Unlike with many new tasks you try to take up, you'll actually be able to give away your very first project because it really is that easy to accomplish. Crochet is going to take a little bit of time but before you know it you'll be creating masterpieces with only 30 very easy steps.
