This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1922 Excerpt: ...sq. yds. according to traffic. They use both broom and scraper for gathering up the dirt. This city has tried the hand pickup machine with revolving drum. The machine gave satisfactory service but was not used on large enough scale to get any figures as to costs, etc. It was found, however, that the machine takes off the fine dust better than brooms. Hand Sweeping by Gang System.--Of the 21 cities reporting, East St. Louis, 111., and Fort Worth, Tex.,"appear to be the only cities employing the gang system alone in hand sweeping. East St. Louis employs hand sweeping on only the down town streets, the area covered in a working day being about two miles. The sweeper uses broom and scraper to gather up the dirt. At Fort Worth, Tex., hand sweeping is employed on the two principal streets and on the cross streets between these two. Hand sweeping is used in the daytime and the streets are washed at night. In the hand sweeping the men are worked in gangs of three, one man on each side of the street and one cart man. The gang begins at one end of street one day and doubles back if they have time. The next day the gang begins at the other end and doubles back. Each gang covers 64 blocks (200 ft. to block) of 60-ft. street, or 768,000 sq. ft. per day. A large pan and small broom are used for gathering up the dirt. Flushing With Hose.--Of the 21 cities six reported that they flushed their streets with hose. At Altoona, Pa., this work is done by a gang of six men, covering about 10 blocks per day. Six 50-ft. lengths of fire hose with 1H-m. nozzle are used in the work. Flushing by Machine.--At Fort Worth, Tex., a flushing machine is being used to clean a brick-paved street. This pavement is in bad shape, being full of holes and depressions, and the street will soon ...

The author was did a lot of study when write the book, and so the information that they share to your account is absolutely accurate. You also can get the e-book of Handbook of construction cost from the publisher to make you much more enjoy free time.

#### Lillian Thrasher:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Handbook of construction cost can make you feel more interested to read.
