## **La traducción del orden natural al ámbito humano: El pensamiento político de Tommaso Campanella (Spanish Edition)** David Martínez Perucha

En este libro se lleva a cabo un estudio de la entera trayectoria de Tommaso Campanella como pensador político. Frente a la tradicional polarización de la crítica especializada, se emplea un enfoque dirigido a poner de manifiesto el núcleo conceptual común a todos sus escritos y a dar detallada cuenta de sus divergencias en función de la peripecia biográfica del autor. La necesidad de emplear sus obras en defensa propia determina la elección de los elementos que las constituyen y explica la diversidad de objetivos que aspira a cumplir cada una de ellas. Campanella se propone realizar una completa transformación del mundo trasladando la ley natural al ámbito humano, imponiéndole al hombre un orden al que ha de someterse de grado o por fuerza.
