Travel: A Korean's Guide To America Danny Kessler, Vince Nance

Travel: A Korean's Guide To America brings the lessons of Youngsan University English teacher Danny Kessler into comprehensive book form. This book is written as a guide for Koreans who have decided to travel, study, or live in the United States. You (or your parents) are spending a lot of money to go to America. This experience is an investment in your future, and this book is about maximizing that investment. Traveling and living in another part of the world is one of the most significant and unforgettable experiences you will ever have, but it is also an experience that requires preparation and education. The culture you will be exposed to is just as important to understand as the language; however, every year thousands of Koreans invest millions of hours in learning English with virtually no time invested in understanding the cultures in which they will be using it. In this book, you will learn: Basic travel tips to save money, stay safe and be stress free. How to fit in and avoid offending people through a deeper understanding of American manners and values. What Americans think of Korea. How to avoid dangerous people and dangerous places when traveling around America. The major cultural differences between Korea and America that you NEED to know. How to avoid gaining weight when living in America. The differences between Korean and American dating cultures and how to date an American.

From reader reviews:

Shawn Francis:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each e-book has different aim or goal; it means that reserve has different type. Some people really feel enjoy to spend their time to read a book. They can be reading whatever they acquire because their hobby is actually reading a book. How about the person who don't like reading through a book? Sometime, individual feel need book whenever they found difficult problem or maybe exercise. Well, probably you will need this Travel: A Korean's Guide To America.

Laura Burke:

Information is provisions for anyone to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even a concern. What people must be consider while those information which is from the former life are hard to be find than now is taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you have the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Travel: A Korean's Guide To America as your daily resource information.

John Kirk:

Reading a e-book tends to be new life style in this era globalization. With looking at you can get a lot of information that could give you benefit in your life. With book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their own reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their expertise in writing, they also doing some exploration before they write with their book. One of them is this Travel: A Korean's Guide To America.

Betty Guinn:

Beside this specific Travel: A Korean's Guide To America in your phone, it could give you a way to get nearer to the new knowledge or information. The information and the knowledge you may got here is fresh in the oven so don't be worry if you feel like an old people live in narrow town. It is good thing to have Travel: A Korean's Guide To America because this book offers to you personally readable information. Do you occasionally have book but you seldom get what it's all about. Oh come on, that will not end up to happen if you have this in the hand. The Enjoyable option here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss the idea? Find this book along with read it from at this point!
