Life and Destiny Felix Adler

Considered by many to be one of the major influences on modern Humanistic Judaism, Felix Adler (1851-1933) was a professor of political and social ethics and a social reformer who founded the Ethical Culture movement. First published in 1903 "Life and Destiny" contains quotations from Adler's lectures for the New York Society for Ethical Culture in its early years. It covers such things as the meaning of life, religion, immortality, moral ideas, the ethical outlook, and related topics.
