#### **Ann Foley:**

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's

country. So , this ThetaHealing: Diseases and Disorders can make you sense more interested to read.
