It's **Berkeley Breathed's** final spin around the dance floor with his most quirky and endearing character—Opus. The Pleasant penguin has long been the moral center of the Berkley-verse, and nowhere is that as abundantly clear as in his own self-named book. Aside from our waddling friend, this book contains numerous characters readers will fondly remember from the days of *Bloom County*.

This volume collects the entire run of *Berkeley Breathed's Opus*, from first to last, and features an introduction and running commentary from Breathed.
