Eva-Marie is the daughter of Chicago's biggest drug producer.

David is the son of Chicago PD's Chief of Police.

These two fall for each other without knowing that they are each other's greatest enemy. They have society against them as well as their parents, and their situations threatening to tear them apart. Will their love be enough to defy the odds against them? Told from both characters' point of view and set in the state of Illinois in 1950, *The Improbable*, is a compelling romantic novel that pushes the envelope of the typical love story and will keep you hooked until the very last page.
