## Thumbsucker

"Justin Cobb, the main character of Mike Mills's directorial debut, is still sucking his thumb at 17. He wants to stop, but when he finally does--thanks to hypnotherapy administered by his new-age orthodontist, played by Keanu Reeves--it throws his life and his family's into complete disarray. *Thumbsucker*, which documents the eponymous film's production, is art in itself, packed with work from a group of super-hip, internationally known young photographers including Takashi Homma, Ed Templeton, Todd Cole, Mark Borthwick and Ryan McGinley. The art scene it records is close kin to that presented by the recent Iconoclast bestseller *Beautiful Losers*, this time offering readers a hit of the Lower East Side's aesthetic and social life by way of Hollywood. If *Thumbsucker* the film offers an honest and funny look at those who feel deeply flawed, both in youth and middle age, *Thumbsucker* the photo book offers an honest and funny behind-the-scenes look at the heartbreaking and uplifting process of producing such a project. With an introduction from Tilda Swinton, who stars--in both movie and book--alongside Vincent D'Onofrio, Benjamin Bratt and Vince Vaughn."

### From reader reviews:

#### Clarence Guyer:

Now a day those who Living in the era wherever everything reachable by connect to the internet and the resources in it can be true or not involve people to be aware of each information they get. How many people to be smart in having any information nowadays? Of course the answer then is reading a book. Reading through a book can help people out of this uncertainty Information particularly this Thumbsucker book as this book offers you rich details and knowledge. Of course the information in this book hundred percent guarantees there is no doubt in it you know.

#### Ellen Wirth:

The reason why? Because this Thumbsucker is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will jolt you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of benefits than the other book possess such as help improving your ability and your critical thinking way. So , still want to postpone having that book? If I ended up you I will go to the publication store hurriedly.

#### Alex Levey:

Many people spending their moment by playing outside together with friends, fun activity using family or just watching TV the entire day. You can have new activity to shell out your whole day by studying a book. Ugh, do you consider reading a book really can hard because you have to use the book everywhere? It okay you can have the e-book, getting everywhere you want in your Cell phone. Like Thumbsucker which is keeping the e-book version. So , try out this book? Let's view.

#### Corey Valenzuela:

Some individuals said that they feel uninterested when they reading a guide. They are directly felt this when they get a half regions of the book. You can choose the particular book Thumbsucker to make your current reading is interesting. Your own skill of reading proficiency is developing when you including reading. Try to choose basic book to make you enjoy to see it and mingle the impression about book and examining especially. It is to be very first opinion for you to like to open up a book and examine it. Beside that the publication Thumbsucker can be your brand new friend when you're feel alone and confuse with the information must you're doing of that time.
