What if the fairy tales we all loved as children were true, just not the versions that we were told? This collection of stories reveals the truth that the fairy tale industry has tried to keep hidden all these years. The world of Unspoken is populated by sassy punk princesses, outrageously slandered witches, misunderstood pirates, and more wolves than you can shake a stick at. You will laugh, cry, and feel like it is "Once upon a time..." all over again. Unspoken is the debut novel by the 21st Century Writing class at Monte Vista Middle School in Camarillo, California.
