This book contains proven steps and strategies on how to make your child listen and do what you are saying without the complaining or throwing tantrums. You will learn a lot of practical tips on how to get your child to listen and do everything you say. These tips are proven to be effective and are considered as the keys to successful parenting and having a good relationship between you and your child. One of the most difficult tasks of parents is to make their kids listen and do things that you tell them to do. This can be addressed using effective parenting strategies; and the most effective parenting strategy that parents should try is to become a good role model to your kids. Role models are those people you look up to because they possess qualities that you would like to have. They are also people who have a positive effect on your life. As a parent, you should be your kids' first role model. They will surely have other people to look up to as they grow older, but you should be the first person to show them how to properly act and behave. Being a positive role model is not easy. You need to always be careful with your every word and action because you do not want your child to learn anything bad from you. Here are some tips that you should try for you to become a positive role model to your child.

## **Here Is A Preview Of What You'll Learn...**

- **Be a role model and your kids will be running to be with you**
- **Learn to listen and watch children light up with enthusiasm**
- **Communicate effectively so that your child understands better and to get them to do what you want faster**
