Plague Year Stephanie S. Tolan

Bran Slocum stands out from the moment he arrives at Ridgewood High, with his oddly unfocused eye and his unusual mode of dress. The immediate target of bullies, he seems strangely aloof and untouched. Sixteen year old Molly Pepper, herself an outsider, is intrigued by his attitude and sets out to befriend him, persuading her best friend David to join her in reaching out to him. Molly and David begin to see that Bran is hiding some sort of secret, but they have no idea how shocking the secret is until the truth hits Ridgewood—in headlines that put Bran and his new friends in terrible danger, as the whole town turns against them. Events spin out of control and fear spreads like a deadly contagion. Their friendship deepening as they face the plague of hatred together, Bran, Molly and David can only hope they will be able to stand against it.
