A tale about the treasures a woman has--heart, soul and mind--and her struggle to keep them afloat. Bonded by the passions and curses that get carried down in families, four generations of women arrive to an island at different times in history. Island life is a fresh start for them each, until they are forced to leave and make choices regarding family loyalties, exciting careers, and love. Each woman must decide whether to pick up the paddles and row out to her own portion of the sea.
