The purpose of this book is to chronicle, critique and explore every theatrically released, English-language voodoo movie to date. Admittedly, sometimes the stories behind a film's making prove more entertaining than the movie itself, but such are the hazards of the job. While some are good, many are bad and a few are downright ugly, most voodoo movies contain at least the promise (occasionally fulfilled, more often not) of a glimpse into an alternate world view and spirituality that can be both fascinating and unsettling. Films such *White Zombie*, *I Walked With a Zombie*, *Macumba Love*, *I Eat Your Skin*, *Angel Heart* and *The Believers* are included in this fascinating film history.
