The classic guide on evangelism. "So you want to witness! I did too, but I didn't have a clue about how to do it without stubbing my toe in the process." So begins the book that has helped a million people give their faith to others. Paul Little's humor and down-to-earth approach help show how friendly and natural evangelism can really be. "Impossible!" you say? "I just don't know what I'd tell people. What if I can't answer their questions? And what if they think I'm just strange?" Paul Little has faced these same fears himself and has found effective and biblical ways to overcome them. This edition, thoroughly revised by Marie Little, brings all these issues up to date and adds practical suggestions from several of Paul's lectures. Now more than ever, here is the book to excite you about giving away your faith.
