Playing With Fire Paisley Walker

My name is Laken Thompson, and I have come up with an idea that is too good to surpass. Being a twenty five year old that just graduated college and has accrued an insane amount of debt it's the best thing I can think of. I am auctioning off the most precious thing I have. My virginity. What I wasn't planning on was the man that changed everything. Asher Braxton, the epitome of stunning. The man that has everything, except for me. I've run for months from the devilishly handsome man stalking me like some prey. Just when I thought I evaded his advances his voice is the one I hear to make a bid. On shaky legs I pray that someone will outbid him, but the thought in my head is... I'm playing with fire and this time I hope I don't get burned.
