SINGLE LADIES and SINGLE MEN... GET READY!

This is a must read! Dating With Your Purse, is a series of stories that I've witnessed with some of my girlfriends and associates.

Shannon the main character is a well educated, attractive, business woman, that finds herself comparing, competing and judging the men that she dates.

She goes to hear Dr. Hartwright give a lecture on "How to GET AND Keep a Good Man? Shannon, has been intrigued, to say the least, by a colleague and explores that a bit.

This story takes you on a journey of thought and gives results on what TO DO and what NOT TO DO when trying to GET AND KEEP A GOOD MAN.

THERE's a bit of romance, but a whole lot of truth talk and it might make you upset if you are not in touch with your approach on relationships.

This read is exceptionally good for women and it gives men a little insight on what they can expect from us in the future, if we follow the instructions and essential advice, and guidelines given by Dr. Melissa Hartwright (Psychologist and relationship coach.) Dr. Hartwright gives you NOTHING But the TRUTH. AND IF YOU ARE READY to step up your game and hear what the men are also saying about us ladies; then put your reading glasses on and grab a cup of tea. Again, this story is a collection of various stories and is based on true conversations with a twist.

ALL THE SINGLE LADIES.....GET READY.... SET.... READ!!!!!!
