The justice system is just a system, not a just system.

Sentenced to fifteen years in prison for a crime he didn't commit, Ethan Rafferty has one thing on his mind - payback! With his time up, the ex-con is free to pursue his mission of revenge.

During the trial, the District Attorney, Mariana Clark, suppressed evidence that would've exonerated him and now is the focus of Ethan's vengeance. Intent on making her life a living hell, he works daily to antagonize and torment the woman. Unable to retaliate through the courts, considering the role she played, Mariana chooses to fight fire with fire. Soon, their feud escalates to a point where neither imagined it would go.
