Sea and Sky

Adrienne Leslie

Sea and Sky Adrienne Leslie

Bird and Fish tempted readers with the age-old question, 'If a bird and fish fall in love, where will they live'? Adrienne Leslie's *Sea and Sky*, the second novel of her Bird and Fish trilogy answers the question with bountiful compassion as well as fierce devotion to Korean 'sarang' and American gumption. *Sea and Sky* takes its audience from a drab New York winter to a sultry Seoul spring as favorite characters, Wendy Dale and Jae Won Hyun try to reconnect. Bird and Fish fans will fall under their Korean-American spell since no one can weave a tale as deftly as Ms. Leslie. New fans need not worry, *Sea and Sky* easily stands on its own as a heartwarming tale where characters embrace readers as if old friends. As before, Leslie will leave you yearning for more.
