Kabbalah and Astrology Z'ev ben Shimon Halevi

Kabbalah and Astrology is a rewrite of The Anatomy of Fate, first published in 1978. It views astrology in the wider context of the ancient tradition of Kabbalah. The influence of the cosmos on humanity, at both the individual and collective levels, is the main topic of this book. The astrological birth chart is examined from a psychological and spiritual perspective, showing how a horoscope can be a key in transforming a personal fate into transpersonal destiny. This revised edition, with its new pictures and diagrams, is the result of over 50 years of practice and reflection on astrology from an esoteric viewpoint.
