Night Prey By John Sandford John Sandford

"Minneapolis Lieutenant Lucas Davenport returns in a mesmerizing shocker that continues Pulitzer Prize winner John Sandford's best-selling "Prey" series. To police detectives, the dead body in the dumpster is just another homicide to add to the files. To state investigator Meagan Connell, however, it is confirmation of her worst fear. A serial sex-killer who preys on vulnerable young women is on the loose---and Connell suspects he's a cop. At first, Lucas Davenport is reluctant to look into Connell's theory. Still recovering from the near-fatal wounds he received on his last case, trying at last to settle down with one woman, he has enough problems already. But there is something familiar about the vicious stab wounds on these bodies that teases his mind. Somewhere in the city lurks a killer of unusual skill and savagery. If Davenport is right, the killing has just begun....." [from the back cover of audio cassette case]
