When is divorce biblically permissible and when is it forbidden? Is remarriage ever permissible for a divorced Christian? The questions are particularly difficult for Christian victims of marital abuse, who often believe they must choose between two unpleasant alternatives: endure abuse, or face condemnation by God and his church for disobeying the bible.

Not Under Bondage, written by a survivor of domestic abuse, explains the scriptural dilemmas about divorce which abuse victims grapple with. While carefully examining the scriptures and scholarly research, it shows how the Bible sets victims of abuse free from bondage and guilt. Visit the author's website at notunderbondage.com for free resources to help address domestic abuse in a Christian context.
