This book contains reproductions of the famous Cottingley photographs, and gives the whole of the evidence in connection with them. The diligent reader is in almost as good a position as I am to form a judgment upon the authenticity of the pictures. This narrative is not a special plea for that authenticity, but is simply a collection of facts the inferences from which may be accepted or rejected as the reader may think fit.

**This eBook is special to include fairies picture and the author's biography.
