**The Journals of Arnold Bennett** Flower Newman Flower, Newman Flower

This antiquarian book contains a fascinating and insightful collection of excerpts taken from Arnold Bennett's personal journals. A hugely underrated and neglected author, Arnold's non-fiction is amongst some of the best ever written. A must-read for those interested in his life and works, "The Journals Of Arnold Bennett" is well deserving of a place atop any bookshelf. It would make for a great addition to collections of rare antiquarian literature. Enoch Arnold Bennett (1867 - 1931) was best known as an English novelist, but was also a journalist and worked on propaganda and film. This book was originally published in 1932. Many vintage texts such as this are increasingly hard to come by and expensive, and it is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition. It comes complete with a specially commissioned new biography of the author.
