The Philosophy Of Socrates (History of Ancient & Medieval Philosophy)

Nicholas Smith, Thomas C Brickhouse

The Philosophy Of Socrates (History of Ancient & Medieval Philosophy) Nicholas Smith, Thomas C Brickhouse

This text provides an introduction to Socrates—both the charismatic, controversial historical figure and the essential Socratic philosophy. Written at a beginning level but incorporating recent scholarship, *The Philosophy of Socrates* offers numerous translations of pertinent passages. As they present these passages, Nicholas Smith and Thomas Brickhouse demonstrate why these passages are problematic, survey the interpretive and philosophical options, and conclude with brief defenses of their own proposed solutions. Throughout, the authors rely on standard translations to parallel accompanying assigned primary source readers. Each chapter concludes with an annotated bibliography of suggested readings.
