Frederick Whittaker

A COMPLETE LIFE OF GENERAL GEORGE A. CUSTER is the sixth volume in the History in Words and Pictures Series, a collection of books that bring you back in time, in the words of those who were there, with visions of the world as they saw it. The History in Words and Pictures Series is a collection of historical works, edited to a modern reading experience and supplemented with archived and contemporary photography. Written by Frederick Whittaker, the original Custer biographer, A COMPLETE LIFE OF GENERAL GEORGE A. CUSTER is one of the most complete accountings of the legendary General's life. Whittaker entered the project expecting the brash, vain officer often portrayed by hostile media at the time. Before he was finished, he came to believe that General Custer had served his country with distinction, and that the many military and political enemies who surrounded Custer were largely responsible for tarnishing his name, and potentially responsible for his death at the Little Bighorn. Whittaker became so convinced of a conspiracy that he successfully partnered with Elizabeth Custer, the general's widow, to lobby Congress for an official inquiry into the events of the fateful last battle. This fascinating story allows us to experience history in the words and visions of those who made it. Other books in the History in Words and Pictures series include My Life on the Plains, by General Custer himself.

Army; Lieutenant-Colonel Seventh U.S. Cavalry (History in Words and Pictures) (Volume 6).

Tamara Reams:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this A Complete Life of General George A. Custer: Major-General of Volunteers; Brevet Major-General, U.S. Army; Lieutenant-Colonel Seventh U.S. Cavalry (History in Words and Pictures) (Volume 6) can make you experience more interested to read.
