For the Family's Sake: The Value of Home in Everyone's Life Susan Schaeffer Macaulay

For many of us the word *home* brings warm thoughts and happy memories—far more than the dictionary's simple definition of "a place of birth or one's living quarters." For many of us, home is where the heart is.

Yet it is even than that. It is the secure environment that allows our hearts to develop. A haven of growth, quiet, and rest. The place where we love and are loved. Sadly though, this kind of home is beginning to disappear as our busy society turns homes into houses where related people abide, but where there is no "heart."

With a desire to help you nurture your family's heart, Susan Schaeffer Macaulay presents a clear blueprint for constructing a home that survives the variety of situations that you face in modern life. With Jesus Christ as the foundation, using tools such as common sense, realism, and traditions, you can build a secure, loving environment where every member of your family can flourish.
