Beat Cop to Top Cop: A Tale of Three Cities (The City in the Twenty-First Century) John F. Timoney

Born in a rough-and-tumble neighborhood of Dublin, John F. Timoney moved to New York with his family in 1961. Not long after graduating from high school in the Bronx, he entered the New York City Police Department, quickly rising through the ranks to become the youngest four-star chief in the history of that department. Timoney and the rest of the command assembled under Police Commissioner Bill Bratton implemented a number of radical strategies, protocols, and management systems, including CompStat, that led to historic declines in nearly every category of crime. In 1998, Mayor Ed Rendell of Philadelphia hired Timoney as police commissioner to tackle the city's seemingly intractable violent crime rate. Philadelphia became the great laboratory experiment: Could the systems and policies employed in New York work elsewhere? Under Timoney's leadership, crime declined in every major category, especially homicide. A similar decrease not only in crime but also in corruption marked Timoney's tenure in his next position as police chief of Miami, a post he held from 2003 to January 2010.

Beat Cop to Top Cop: A Tale of Three Cities documents Timoney's rise, from his days as a tough street cop in the South Bronx to his role as police chief of Miami. This fast-moving narrative by the man *Esquire* magazine named "America's Top Cop" offers a blueprint for crime prevention through first-person accounts from the street, detailing how big-city chiefs and their teams can tame even the most unruly cities.

Policy makers and academicians have long embraced the view that the police could do little to affect crime in the long term. John Timoney has devoted his career to dispelling this notion. *Beat Cop to Top Cop* tells us how.
