Beyond the Pale: The Darkness Within (Volume 1) Cousin Jack

The human race has the peculiar ability to create its own reality. A reality that we feel safe in. Any anomaly in that reality is quickly covered over, ignored, or lost in a wave of false conclusions created in a feeble attempt to elude the true nature of our world. Private investigator and lost soul Elstadd Medan has witnessed something beyond the safe confines of the reality he's come to know. As his mind struggles to excuse it away with logical reasoning, part of him knows the truth of what he has on video. When someone close to him dies over the footage, his faith in the reality he knows is shaken. Though Elstadd prides himself on his powers of deduction, no amount of careful, logical consideration can prepare him for what happens when Fate slates him to pierce behind the veil.
