This revolutionary book takes the reader on an amazing journey that will unlock the hidden creative potential that lies dormant inside all humans. This is an instruction book like no other that features scientific research to dispel common myths about so called artistic “talent” while revealing amazing, yet simple techniques used by the greatest artists in history such as Leonardo Da Vinci, Michelangelo, Picasso, Monet and even Albert Einstein. This book will work well in conjunction with traditional drawing books, to give new insight leading to a dramatic increase in the reader's overall artistic and creative abilities. Additionally, this book features several mental and artistic exercises intended to quickly increase the readers drawing, painting and creative thinking abilities. The techniques in this book have been used successfully many times to propel average people’s creative ability to unprecedented heights. Written by Jeston Whitacre, an amazing artist who has used the techniques in this book to create artwork for Businesses such as GE, the US Department of Defense and many celebrities and entertainers such as Katie Couric, Steve-O, R&B star Lloyd and Kevin Bacon.
