Passive Income: 5 Proven Methods That Will Help You Think & Produce Like A Millionaire (make money online, online business, how to make money online) Scott Green

Whether you're just looking for some extra monthly cash flow or a self-confessed online hustler, this book can help you chart a course to success. More people are turning to non-traditional employment options to help make ends meet. With the popularity of media such as YouTube, Twitter and Facebook, building a brand has become supremely easy.

Online business offers greater freedom than traditional jobs. You set your own hours. You choose the work you want to do. You make the decisions about the forward direction.

They can be self-sustaining. I will outline passive income streams that you can setup. Once up and running, they require less day to day oversight than active revenue streams.

Most of all they can be a lot of fun. Never before have people been able to write, film, edit and distribute their own creative works with such ease. The technological advance has democratized the worlds of entertainment and art. It has lowered the barriers to entrepreneurship.

In the book we will review:

- How making and sharing videos can be fun and profitable
- The ins and outs of affiliate marketing
- Brand building and money making through social networks
- Setting up your own online storefronts
- Getting a message out via blogging and podcasting
