What You'll Learn

Builds upon skills taught in Pimsleur's Spanish Level 1.

In the first 10 lessons you'll begin using the past tense. Structures become more complex and informal speech is introduced. Soon you'll take part in conversations about ordering meals, shopping, and local tourist attractions. As you progress, your fluency will increase as your vocabulary expands.

The next 10 lessons will allow you to further combine and build upon known elements, and produce longer and more complex sentences. You'll be discussing business and social activities, expressing your interests, and talking about the weather.

In the final 10 lessons you'll double your vocabulary and have several hundred structures to draw upon. You'll learn to express yourself with relative structures – faster, slower, etc. You'll be able to ask for assistance in many situations and to ask for directions to various locations. You'll explore sports and leisure activities, manage changing money and banking, and discuss travel plans. By the end of the program, you'll be speaking at a mid-intermediate level with near-native pronunciation, and you'll be comfortable meeting most social demands and limited job requirements.

Reading Lessons are included at the end of Lesson 30. These lessons, which total about one hour, are designed to give you practice reading Spanish, and to provide you with some insight into Spanish culture with proverbs, common expressions, and a broad look at things you'll experience when visiting a Spanish-speaking country.

The Pimsleur Method

We make no secret of what makes this powerful method work so well. Paul Pimsleur spent his career researching and perfecting the precise elements anyone can use to learn a language quickly and easily. Here are a few of his “secrets”:

The Principle of Anticipation

In the nanosecond between a cue and your response, your brain has to work to come up with the right word. Having to do this boosts retention, and cements the word in your mind.

Core Vocabulary

Words, phrases, and sentences are selected for their usefulness in everyday conversation. We don't overwhelm you with too much, but steadily increase your ability with every lesson.

Graduated Interval Recall

Reminders of new words and structures come up at the exact interval for maximum retention and storage into your long-term memory.

Organic Learning

You work on multiple aspects of the language simultaneously. We integrate grammar, vocabulary, rhythm, melody, and intonation into every lesson, which allows you to experience the language as a living, expressive form of human culture.

Learning in Context

Research has shown that learning new words in context dramatically accelerates your ability to remember. Every scene in every Pimsleur lesson is set inside a conversation between two people. There are no drills, and no memorization necessary for success.

Active Participation

The Pimsleur Method + active learner participation = success. This method works with every language and every learner who follows it. You gain the power to recall and use what you know, and to add new words easily, exactly as you do in English.

The Spanish Language

Spanish is the official language of 19 Latin American nations, as well as Spain, the Dominican Republic, and Cuba. Further, it's one of the six official languages recognized by the United Nations. Pimsleur's Spanish programs teach an educated Latin American Spanish, featuring speakers from Colombia and Mexico. Students can expect to understand the lessons clearly and to be understood by Spanish speakers everywhere.

Tech Talk

- CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.
