If everyone you grew up with were relying on you to save them, would you be able to do it? Thrust into the deep end, teen Aldora Leoma has to do exactly that.

Her village under attack, she is asked by the king to locate the just stolen Dagger of Protection – one of six protection weapons made centuries earlier to protect others. With nobody else near enough to protect her home, Aldora can't say no. Aided by a talking prince of the cats and a law enforcer hunting a murderer, failure is not an option.

The Royal Gift is the first in a YA fantasy series, The Common Kingdoms (currently with twenty-seven stories). Following the lives of Aldora Leoma and Royal Official Raneth Bayre, it's great for readers who love fantasy with magic, action, adventure and a dash of romance and crime.
