Workplace Violence Guidebook: Introductory but Comprehensive OSHA (Occupational Safety and Health) Training for the Managers and Employees in a Worker ... Covering Workplace Security and Violence Daniel Farb, Bruce Gordon

Workplace Violence is made for managers and employees to learn not only the regulations about handling workplace violence but also to learn signs of possible violence and how to deal with them. The book covers OSHA programs, preventative measures, education and training in workplace violence, worksite analysis, security measures, courses of action in an incident, recovery after an incident, recordkeeping, and some case studies. Readers will enjoy the approachable, compact, conversational tone of the book. Those readers who wish to have an accompanying program with video and interactivity should also purchase the CD version. This is part of the highly acclaimed UniversityOfHealthCare series on Occupational Safety and Health (OSHA).
